Notice of Public Hearing
Relating to Proposed Amendments to
the Lower Elkhorn Natural Resources District
Sediment and Erosion Control Program

The Lower Elkhorn Natural Resources District ("District") will hold a public hearing during its regular board meeting on May 26, 2016 at 7:30 p.m. The hearing will take place at 601 E. Benjamin Avenue, Norfolk Nebraska. The purpose of the hearing is to take public comment on adoption of proposed amendments to the District's Sediment and Erosion Control Program. The proposed amendments address changes made by the legislature to Section 2-4605, R.R. S. 1948.

Significant changes made are:
1. to include ephemeral or gully erosion as a problem to be addressed by this program, and
2. removes the requirement that violators be offered 90% cost share when ordered to install conservation practices.

The full text of the proposed rule is available at the District's office located at 601 E Benjamin, Suite 101, Norfolk, Nebraska as well as on the District's website at www.lenrd.org.

Any interested person may appear at the hearing and present written or oral testimony concerning this matter. Individuals with disabilities may request auxiliary aids and service necessary for participation by contacting the District by May 25, 2016. Testimony relevant to the purposes of the hearing may also be submitted in writing prior to the close of the hearing to the Lower Elkhorn Natural Resources District, 601 E Benjamin Ave, Suite 101, Norfolk NE 68701.
